

ART'S WAY SCIENTIFIC  
MODULAR FOOD  
SAFETY LABS.  
HELPING YOU  
DEVELOP,  
VALIDATE AND  
VERIFY FOOD SAFETY  
AND QUALITY.

When time, quality, security and costs are critical, an Art's Way Scientific modular laboratory is the only Way to go. It's a brilliantly designed, quickly built, research ready, modular laboratory for food related illnesses, public health, and biosafety requirements.

An Art's Way Scientific modular laboratory is delivered in significantly less time than conventional design/build construction. With customer responsiveness and quality as key values, Art's Way Scientific will custom design, manufacture, deliver and install your lab to meet your critical requirements.

**It's the research facility you need,  
the way you need it, when you need it.**

**That is our promise.**
